Mr. John N. McMahon Deputy Director of Central Intelligence Washington, D.C. 20305

Dear John:

(C) I talked with Ambassador Weiss this week concerning his impending visit to Moscow. He remains concerned, alleged security problems associated with the Soviets' use of the U.S. as a "Land Bridge" for commercial van traffic. No federal agency has a good feel or adequate control of this Soviet transportation practice. has talked to Customs, FBI and DIA but remains convinced we all really know little.

(C) We need to coordinate our efforts with those of the FBI and Commerce in attacking this problem or at least mollifying Sy Weiss.

Sincerely,

JAMES A. WILLIAMS
Lieutenant General, USA
Director
